

Approving Cropped Images:

Navigate to Product > Image Cropper > Crop Approval Grid :

1. The page will load with a grid of images under each image there will be a blue button that says Check Cropping, click on this button this will load a grid of image of the product

2. There will be a maximum of 6 images, each image will have a grid with dimensions in pixels on the left and inches on the right,

- At the top right of the page, you will see the dimensions of the product you have to compare it to the number on the right side of each product image to make sure it is within the range as per the dimension.
